Brunegg, May 2020

Dear music lovers

While many major concert organizers and festivals have canceled their concerts well into the autumn due to the current situation, we continue to believe that our festival will be held. The Pentecost Festival Schloss Brunegg will open its gates for you as a colorful autumn festival in 2020 from October 1st to 4th. This month the Federal Council announces the conditions under which concerts can take place during the summer months. What it will look like in October can currently only be speculated about. But the signs are good that by then concerts on a smaller scale like ours will be possible again.

The festival officials will endeavor to meet all the necessary requirements so that the concerts at Brunegg Castle can take place as planned. The protection of our audience, our employees and our musicians is of course our top priority. This may require some flexibility and understanding on the part of the audience as well. We will initially only sell 50 tickets per event. Ticket sales start on Pentecost Saturday May 30th. Secure your seats as early as possible. Together with "LUDWIG VAN SCHNYDER" we will celebrate the Beethoven year appropriately and challenge the entire cycle of all Beethoven string quartets with the jazzy sounds and compositions of and with Daniel Schnyder.

We look forward to welcoming you!

Jürg Dähler, Artistic Director
